Foreword

As we the seniors of 1961 prepare to accept life's challenges, we would like to leave the WESCOMB as an interlude in your memory. We hope that this yearbook will reveal not only the campus life but also the expression of the warm and sincere ideals of our school.

We wish to thank our parents and the faculty for their patience, co-operation, and assistance in untold measure. May the following memories of our classes, activities, athletics, and fellowship serve as an everlasting reflection of the time spent at West Edgecombe.

In Appreciation

MISS MARY LEE WORSLEY

One who gave untiringly of her efforts to lay the foundations upon which our higher education could be built. Her life has been one dedicated to serving young people of West Edgecombe. To her, in appreciation for her devotion and sincerity, we proudly present this issue of the WESCOMB.

MRS. GERTRUDE COCOWITCH

For willingness to listen and counsel students at all times, for showing a personal interest in the welfare and progress of each of us, for just being her kind and helpful self, we, the Senior Class of 1961, dedicate this edition of the WESCOMB.

Introduction

Principal

MR. R. M. CASHWELL

Principal's Message

Never before has life offered young people so many challenges and opportunities, but to realize these opportunities and achieve anything worth having, you must pay the price. The price will be work, patience, love, and self-sacrifice. Problems will always arise, but when they do, face them squarely and promptly. "If, at any time, life hands you a lemon, make lemonade."

My sincere congratulations to the class of 1961 for their many achievements, and my best wishes to each of its members for future success and happiness.

Dedication

At last the end of the road is in sight, the long dream of fulfillment is to become a reality. The four years of study, work, and anxiety are drawing to a close as we hear the familiar strands of "Pomp and Circumstance" and see the silhouetted figures of our classmates in front of us begin to move forward. As we approach the end of these guided years, we face the unknown way before us, and all of us sense the call of dedication to those things that are noble, just, and true.

The Fairyland Fountain of Youth, the spot where we gathered to discuss . . .

Junior

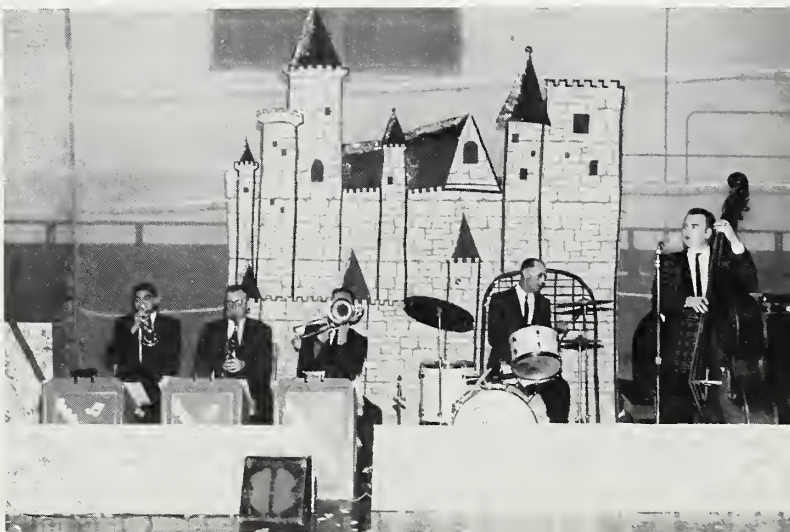
What delicious nectar and star dust cookies. And how pretty!

No Fairyland would be complete without Snow White and the Seven Dwarfs.

April 8th - will we ever forget!! Everyone danced until the "Twelfth of Never."

Senior

Flittering around in our midst, the fairies added a magical touch of fantasy.



The "Highlighters" provided music for our journey into "Never-Never Land."

Decision

Wavering minds, indecision, hesitating over which step to take next. The future before you vaguely unfolding. You seem to be traveling the uncertain paths with a candle; only the next step is visible. But throughout the year, many of the questions are answered and many make a definite decision in choosing a specific vocation. No longer do you ponder these quandry thoughts inside, but look to the future with anticipation.

Discovery

. . . Discovery of a new life and a new world. A new world of friends, study, and activities unfolding before you each day. Perhaps, at first, there was a strangeness about all of this newness, but now you are a central part of the spirit that is our high school. The next few years will provide even more discoveries as your visions become realities.

Development

These are the good old years of readin', writin'-N-'rithmetic and the few rare moments with the hick'ry stick. From these years comes a faulty or firm foundation for your future. These years are important in molding and making your world of tomorrow. These days are priceless and the memories are precious. And for some of these times we'd like to turn back the hands of time to relive or remold these years. So in these years of development, strive to grow spiritually, physically, mentally and socially that yours will be a future of success and happiness.

Brownie, just think! Our last year. I'm sure you'll be thankful to have us out of your hair! Remember us "4 Q's" real good looking we are, too! Continue to be good friends with all our "poor" students, and let your smiling personality spring forth. Love you, Jackie "49"

Mrs. Brown,

I have really enjoyed being in your classes and working with you in F.H.A. Please don't stop teaching until we graduate, anyway. Best wishes to you and your family.

Love,
Mary Catherine

I have enjoyed working (?) with you at study hall, putting up bulletin boards Etc. I sure do enjoy visiting at your house, everything is so friendly and everyone so humorous! Maybe some day I'll take 3rd year Home Ec. So I can "bother" you some more. Good luck during the rest of your life, Methusla!

Love,
Evelyn

Mrs. Brown,

I have really enjoyed being in high school with a teacher like you! You don't seem like a teacher, but more like a sister. Best wishes to you and your future family :> May the best life has to offer come your way!

Love,
Bettie Lee

Mrs Brown,

As F.H.A. Sweetheart Queen I want to wish you luck to you and your family. May the future hold many happy memories for you. I have enjoyed doing the different activities I have two and one half weeks before someone else will become queen. I will always remember this.

Love, Virginia

Mrs. Brown,
I know I have really

J. Brown,

It has really been a wonderful experience working and having fun with you and "Mr. Milton" these past four years. Remember about 4 years ago when after a real nice tea and talk, you asked the rising freshmen "How many of you do not think you'll like home-ec?" I was the only one who raised ~~my~~ a hand. I just didn't know!!!

The home-ec classes were great, but my Y.W.A. experiences have been even greater. I feel I've really benefited a lot by being a member of such a worth-while club. Though I may have lost some, I feel I've made many life-long friends through Y.W.A. I've come to know and love so many more of my own classmates, than I would have otherwise. And I've made so many friends (through camps and district and state rallies) from all over N. C. These are the best products of my Y.W.A. experiences.

These past few weeks, complete with basketball victories and defeats, and my "decoration" have been great, too. I know we'll have a blast at the party Saturday night. It's so nice of you and Mr. "Milton" to put up with us.

Yes, it has really been wonderful knowing such a nice person. First, as a teacher; second, as a sponsor, third, as a friend. Thanks so much for all you have done for me. Next year whether I'm at East Carolina, State, or wherever, please write and let me know all about Dorothea and East Edgecombe.

Love,
Jean "Skeeter"
